

Mile High Polymer Clay Guild (MHPCG) Oct-Dec 2019 NEWSLETTER

President's Letter

I'm sure we can all say that 2019 just flew by. As we wrap up 2019 I wanted to thank everyone for the time and energy you all put into making this a fabulous group!

We really support and encourage and teach each other and I think that's what makes us stand out as such a great group.

I'm really looking forward to next year. We've got some classes planned. Stay tuned for the details. And I'm really looking forward to the next time we will be together—the holiday recovery party!!! You know what that means. Lots of fun and food and our yearly silent auction. So start going through those closets and drawers looking for things to bring for the silent auction.

Looking forward to another wonderful year with my polymer clay family.

Kari
