

The President's Address:  
President's Letter

Boy did that year fly by or what? We have been at our new location for 1 year now. It feels like we just moved in. It's been a great year filled with lots of claying and laughter. We met lots of new and potentially new members. Our family is growing. In October we had the opportunity to reach out to a few hundred individuals at the Rocky Mountain Hobby Expo. What an amazing time we had. It was great seeing everyone having so much fun!!! I'm looking forward to next year. Looking forward to finding new techniques to try next year.

### GUILD NEWS

**HOLIDAY RECOVERY PARTY (Green Mountain Presbyterian Church, 12900 W.Alameda Parkway)  
January 26, 2019 (times to be determined)**

**Recovery Party Planner:** Megan has agreed to get our party plans in motion, mid January. She will start with requests for sign ups for our potluck dinner sides (the guild will take care of the main dish), volunteers will be needed to help with the Silent Auction, Gift Exchange, Buffet, Set-up, and Clean-up

**Silent Auction:** We all can start going through our clay items, for donations for the **Silent Auction**. This is our annual, fundraiser of the year! Clean out those bins, corners, and shelves, for items to donate. Also bring your checks and/or cash to shop all the (new) old goodies we all somehow manage to collect over the year(s)

**Gift Exchange:** Bring a clay related, wrapped gift (made or purchased, under \$15), and join in the fun of the Gift Exchange! Strictly voluntary, but much more fun if everyone joins in this "eventful" event!

## COLOR RECIPE COLLECTION #55--- Carnival Colors

So be warned all that read this article, that I did allow myself a color recipe collection with really loud colors. As many of you may well know, my inner four-year-old adores bright colors and I many of my canes use bright colors. If these are a bit too much for some of you, they do make a nice accent color in projects, if taken separately.

This color collection is bright and cheerful, with a two light colors to add some contrast and punch to the four bright colors. The red in this collection is one of my all time favorite reds, it is a true red that does not darken much in the oven and is goes well with black and white color palettes.

Premo colors you will need to mix this collection are: Cobalt, Navy, White, Purple, Turquoise, Green, Wasabi, Wisteria, Fuchsia, Pomegranate, Cadmium Red, Sunshine, Blush and Cadmium Yellow
